

# GUARDIAN CELLARS

## 2025 Pursued

Release Date: April 2026

### Tasting Notes

That's right, our beloved Rose is back! This delicious blend of 40% Syrah, 30% Grenache and 30% Mourvèdre features notes of Rainier cherry, watermelon, honeydew, white strawberry and apricot. Sourced from Coyote Canyon in Horse Heaven Hills AVA; this wine was whole cluster pressed and fermented in stainless steel for 5 months. The Pursued is bright, crisp, and the perfect refreshment for the return of the Seattle sunshine.

#### Blend

40% Syrah, 30% Grenache, 30% Mourvèdre

#### AVA

Horse Heaven Hills

#### Vineyards

Coyote Canyon

### Winemaking Notes

For the 2025 vintage of Pursued, we hand harvested the Grenache, Syrah, and Mourvèdre all from Coyote Canyon Vineyard in Horse Heaven Hills AVA. Due to its unique terroir and climate, this helps drive acidity and maintain the light flavors on the palate. Whole cluster, direct to press, and began their fermentation in stainless steel. The tank had a slow cold fermentation sitting around 58 degrees to help preserve the aromatics of the wine.
